PHOTOGRAPHIC INTELLIGENCE MEMORANDUM

MOSCOW ARMAMENTS PLANT

This memoradnum is for record purpose only. It reports the completion of a request by [REDACTED] ORR, I/WA for identification of a suspected armaments plant in Moscow. The installation in question was Mosaic Reference 14-1 on U. S. Target Complex Mosaic 0167-9998-14-25MA. This instllation is described as a Ceramics Plant, but the requester thought it resembled an armaments plant and requested verification.

25X1A

Through the services of OCR/GR, the original GX photography was obtained and studied. After examination of this original photography, the requester agreed with us that the installation in question did not pertain to armaments.
